

# Proudly Serves Veteran-Owned Businesses

The **Armed Forces Financial Network (AFFN)** is proud to partner with **Assault Forward**, a Veteran-owned small business, to offer a discount program that provides direct savings to our military and civilian consumers. AFFN Members, AMBA Bank and DCUC Credit Union Participants, Partners, and Processors are eligible for this discount, as well as, your employees, volunteers, customers, members, friends and family.

What better way to honor those who serve, those who have served, military families, and proud Americans, than to purchase from a Veteran-owned small business!
